**SUBJECT: REPORT FOR IRRIGATION PROJECT.**

**INTRODUCTION:** The hope Relief and Orphans children village organization as an for line of work within the “Child development” that is a non profit, non trade, non religions non – political and non – government organization and believes that development of child is an indispensable human right.

The organization is registered as community Based (CBO) under the community Based organization, Act with registration MDC/CBO/629 accessible by the Magu District Council on 13<sup>th</sup> day of May. 2014.

The head office is situated at Lugeye township along Mwanza to Musoma road, is about 40 Kilometre from Mwanza city centre. Person contact is Mr. Shija Clement Kinyata who is Executive Director.

**GOAL:** The aim of the project was to advocacy meal for children during study at the centre. In this case Organization supply a meal for children to bring strong study time.

**FINANCIAL SOURCE:** The Hope Relief Children Village (HRCV) received amount of Tanzania One Million Five Hundred Thousand only (Tshs. 1,500,000/=) for the project costs.

**IMPLEMENTATION:** After receiving the money, organization done me following things.

- Buying water pump machine
- Buying Sam Tank
- Buying Pipes ‘1’ inch
- Buying pipes ‘3’ inches
- Transport for equipments
- Technical fee at site

Risk: The money was not sufficient to complete the project. The organization member contribute other things to achieved

As well as one person from Denmark Mr Uffe Larsen help us seed of maize during activity done.

**ACTIVITY:** The organization according to the cost prepares and cultivates Acres, seeds of maize use for porridge, to the area at Kitongo where by the organization land available.

**PRODUCT:** The organization harvests six (6) bags of maize, which was very best to take for children porridge.

**RESULTS:** Children enjoying very much meal of porridge during study time good planning which is a way to accelerate capacity of children as well as rights.

**REMARKS:** Presently the organization still conducting the children centre which needs many services including meal for children present during time in the centre.

The organization respective small scale farm now helps the centre to supply meal of porridge for children.

The cultivation food under irrigation such as rice, maize and cassava is a best way to save children and their families. As we are aware that food for “Nutrition” is life, every human beings need food in order to survive, therefore if this project will be funded continue to supply meal of porridge for children.

The project will be under close Supervision by the organization of which his office is a centre core in this project to make sure that the project is successfully completed and sustainable well put into fully operational without delay in order to save the high population children of Lugeye Village and their neighboring.

## **THE WORD THANK TO UTAMADUNI CAMP**

It is hardly one year since we receive our support of financial purpose for irrigation agriculture for having food for children at the centre.

Can you think seriously to continue to help our people in the community especially children in the centre order to get a meal during time participating activities at the early children Development.

You will fill; it if you happen to visit this centre, your will see whose get many services order to build capacity for future coming life.

Last we say thanks a lot and **God bless** your support from UTAMADUNI CAMP and could you please consider another financial support so that the meal problem of children at Lugeye will be solved. Here by reveal to our deepest inner heart appreciation after we had received the fund which you provided to us.

The offer has really solved our long term obstacles which used to harder our day to day supervision in frequencies of the help the community especially children.

Hence forth we promise that we are going to fully utilize other support (Funds or materials) in accomplishing our action plan for betterment of children services at the centre.

We highly expect the assistance will significantly bring great change among children. We therefore say **“Thank you very much for the offer”**
